

# MEMORIAL DAY

*Remember and Honor*

Greensburg City employees Kim Darnell, left, and Lisa Fields placed a wreath last Friday beneath the Veterans Memorial Clock on the town square in honor and memory of those Green Countians who served and died in defense of freedom and liberty. Listed on the plaque at the base of the Memorial Clock are the names of Green County military veterans who sacrificed and died for our country during WWI, WWII, Vietnam War, or the Iraq War.

## Honoring those who gave all

On Memorial Day, we remember those who have served in uniform and made the ultimate sacrifice in service for our country.

Memorial Day is special to my family and me. Every year, we remember my uncle, Robert Guthrie, who was killed in 1952 in the Korean War. Additionally, this year on Memorial Day, we remember the families of Sergeant Pennington and Sergeant Pruitt, two Kentuckians killed in the line of duty during Operation Epic Fury, as they navigate their first Memorial Day without their loved ones. Those are two Kentucky families who are forever going to have a hole in their hearts. We are forever indebted to them for their family's sacrifice.

May God bless the families of all those who have given all for our country. We will never forget the memories of these American heroes.

Sincerely,  
Brett Guthrie  
Member of Congress

## Honoring the Memory of Our Heroes in Uniform

On Memorial Day, we pause to reflect on the service and sacrifice of the men and women of our Armed Forces. We honor the memory of those who lost their lives protecting our nation's freedom, and we salute all those who have served in our military past and present. Their selfless dedication reminds us that freedom is not free, and we will never forget their courage and extraordinary contribution to our country.
