

The Ladies Chapel Church Cemetery and yard displayed small American flags during the Memorial Day holiday weekend as a remembrance of those veterans who paid the ultimate sacrifice preserving our freedom and way of life.

Jace Lowe this past Friday assisted her grandmother, American Legion Auxiliary Unit 124 member Patti Strader, by placing small American flags on military veterans' graves in the Greensburg City Cemetery. The placing of flags on veterans' graves is a deeply rooted Memorial Day tradition honoring their military service, showing national gratitude, and ensuring their sacrifices are never forgotten.

Greensburg City Cemetery was decorated with American flags honoring those veterans who served defending our country's freedom.

It is with respect and a heart of gratefulness we remember those who serve and have served, the men and women of this country who have sacrificed all they hold dear to preserve for us all that we hold dear.

Thank You!

Remembering Our Veterans

On Memorial Day and every day, we honor the memory of the brave soldiers who made the ultimate sacrifice to protect our nation and our way of life. Their dedication to country and freedom makes us proud to be Americans, and we owe them a debt of gratitude that can never be repaid. We salute our nation's fallen and the families who carry on without them. Their heroic spirit and sacrifice will never be forgotten. We will always remember that freedom is not free.
