The FROGHEAD GRILL

The Legend of Fred

Once upon a Louisiana bayou, a little frog named Fred spent his days swimming, snacking on insects and croaking with friends. But as time went on, Fred began to wonder if there was more to life than just being a frog.

He set out on a long journey—traveling the world, meeting creatures of every kind, while searching for his purpose in life. After years of wandering, Fred finally realized the truth: no matter where you go, the greatest joy comes from good food and good friends.

With this new perspective, Fred embraced his life and wanted to share it with others. And so, The FrogHead Grill was born—a place where everyone can gather, eat, laugh, and, of course, feel a little froggy!

Since his life served as the example by which he lived, he could find no better name than FrogHead [a distant cousin to the Parrothead] and no better place for friends & family to come together for great food & fun than The FrogHead Grill!
