Nuggets Are Working Toward Another Great Season

By Lynae Schenck

Jackson Lyngaas ** is the head coach of the Hawley Nuggets softball team this season. This is his seventh year as head coach. Alyson Brenna, Drew Thompson, Maki Halvorson, Clair Anderson, Mike Halvorson, Ryan Hastings, Ella Holiman, and Abby Rux are assisting him.

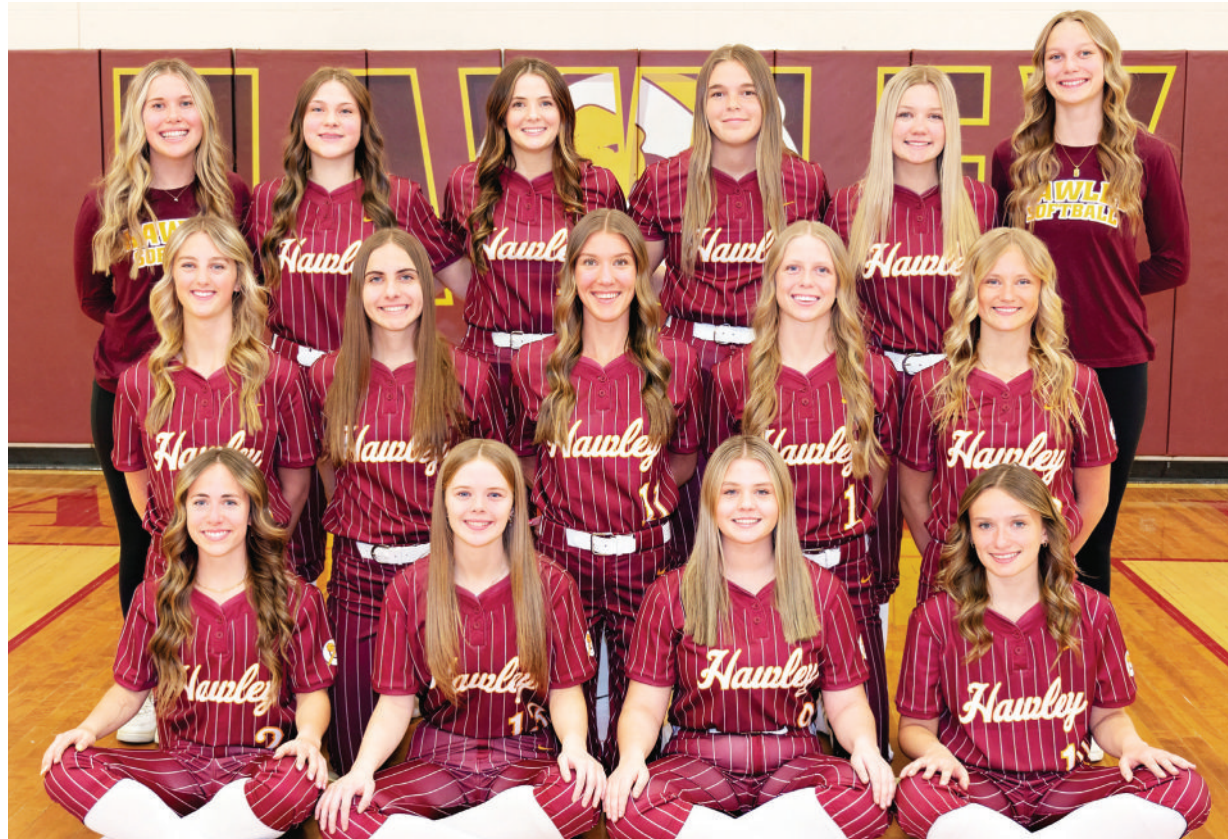

The Nuggets had a very successful year last season. They fought their way back after a loss in the section tournament and won the section title. They finished the season in second place at the state AA tournament.

The Nuggets lost Alex Guderjahn from last year's team. She was the starting left fielder and all-state team player. She was an outstanding hitter in the middle of the lineup who consistently put the ball in play hard and scored runs for the team.

"We will look at a couple of players to replace her in the outfield and batting order, and will need someone to step up and replace her," notes Coach Lyngaas.

Returning members for the Nuggets are: Seniors Addi Sanvik, second base-batting avg .380, 35 hits, 26 RBIs; Hannah Stotts, third base-avg. .459, 39 hits, 24 RBIs, 1 homerun; Sella Fleming, centerfield-avg. .208, 15 hits, 9 RBIs; Emily Vetter, catcher-avg. .253, 23 hits, 20 RBIs; Brooke Geffre, shortstop-avg. .215, 17 hits, 18 RBIs, Six homeruns; McKenna Walker, pitcher/first base-avg. .254, 15 hits, seven RBIs, 7-0 record pitching; Mallory Halvorson, right field-avg. .216, 16 hits, 11 RBIs; Eagan Hastings, pitcher/first base-avg. .375, 36 hits, 32 RBIs, one homerun, 20-3 record pitching, and Annaka Johnson, left field.

Juniors returning are Marley

The Nuggets softball members are, left to right, front row-Hannah Stotts, Allison Strom, Avery Strawsell, Mallory Halvorson; middle row-Brooke Geffre, Emily Vetter, Annaka Johnson, Addison Sanvik, Sella Fleming; back row-Manager Greta Brager, Sena Sannes, Eagan Hastings, McKenna Walker, Marley Knutson, and Manager Kendallynn Hill. Not pictured are coaches Jackson Lyngaas, Alyson Brenna, Drew Thompson, Makenzie Halvorson, and Clair Anderson,

Knutson, left field-avg. .321, nine hits and eight RBIs, and Avery Strawsell, outfield. Sophomores are Sena Sannes, outfield, and Allison Strom, outfield. Also, eighth-grade player Addi Green, outfield.

Returning award winners from last year are Hannah Stotts, Emily Vetter, and McKenna Walker, who were named all-conference players. All-section players were Eagan

Hastings, Emily Vetter, and Addi Sanvik. All-state honorable mention was given to Eagan Hastings.

The Nuggets' team leaders are the seniors who are tremendous leaders and multisport athletes. They have been battle-tested and successful in all of their sports. They will bring a competitive, team-first attitude to practices and games daily. They have been starters on our varsity team for

at least 4 years and have extensive experience.

With eight returning starters from a successful season a year ago, there is a ton of experience back with two tough pitchers and defense behind them. Coach Lyngaas believes they need to execute on offense and score

runs to support the team's defensive efforts.

The Nuggets want to be competitive in every game that they play.

"We want to develop more consistent hitting throughout our batting lineup and be playing our best at the end of the season," says Coach Lyngaas. "We want to compete for another conference and section championship.

With the experience and leadership on the team, that is a huge asset for the Nuggets this year. That can carry the team through

the season's challenges. These girls have been playing in their positions for at least four years.

As far as the Heart O' Lakes conference, Coach Lyngaas looks to D-G-F as a team to beat. They are returning many solid players, an excellent pitcher, and two very good coaches.

"We have a big senior class of tremendous athletes and leaders who enjoy competing together on a nightly basis this year," concluded Coach Lyngaas. "I look forward to a great season and hope that everyone stays healthy!"
