People Getting Up Close To The Big Rigs

Are your kids or grandkids just crazy about getting up close to big rigs?

Don't miss the Touch-A-Truck event presented by the Clay County Fair. This free family-friendly activity is for children and adults of all ages.

Come get up close and personal with larger than life trucks, heavy construction equipment, public safety vehicles and other specialty horse-powered motorized machinery.

This is a great opportunity to climb on these pieces of equipment to see them in-person and learn how they work. The event is being held at the Grandstands during the Clay County Fair on Thursday, July 9, from 5:00 to 7:00 p.m.
