

Fair Features Ecumenical Worship

Sunday morning at the fair can be a time of quiet reflection and contemplation.

Join friends and family at the band shelter on Sunday morning, July 12. Let the music

and message be an invitation to come, sit, pray and participate in an ecumenical worship service at the fair. The service begins at 10:30 a.m. with Pastor Nathan Seefeldt of Moorhead Chi Alpha.

Special music will be provided by The Rollag Gospel Trio.

It will be a great way to start the day at the Clay County Fair. The rest of the day is packed with entertainment and award ceremonies, food and everything from Farm to Fair.

Come worship with us at the Clay County Fair!
