

The Learn-By-Doing Station In The 4-H Building

The rides, the food, the exhibits—so much to do at the Clay County Fair. Did you know you can also participate in educational, hands-on activities? In the 4-H Building's Learn By Doing Station, there will be hours of educational opportunities for people to learn about multiple topics.

Stop by the Learn By Doing Station and try

your hand at many interesting activities being demonstrated there. Who knew so many events being offered at the fair are free of cost and with no calories?

Operating hours for the Hands-on Learning are T-Shirt Dog Toys at 1:00 p.m. and Milk Jug Bird Feeder at 3:00 p.m. on Saturday, July 11.

July 9-12, 2026
