Beyer Towing is a one-of-a-kind equipment transport company that specializes in farm machinery and construction equipment.

We have multiple trucks and trailers set up to haul all kinds of equipment, from combines and sprayers to row crop and tillage tractors.

We can also move various pull-type equipment, such as 2/3 point planters, harvest, and tillage implements.

Local and Long Distance Hauling Available!

The Barnesville and Hawley FFA Chapters will host its annual meet and greet ice cream social at the fair on Saturday, July 11 starting at 1:30 p.m. in front of the FFA Barnyard Building for ice cream, conversation and fun.

The event is a great way to wrap up the fair and meet members of the community. We hope to see everyone there.

The Clay County Dairy Association will be providing the ice cream and cones.
