

Welcome To The 112th Clay County Fair

CONTINUED FROM PAGE 35

the fair with showcasing their projects, exhibiting livestock, and providing food through their food and shake/malt stand. In addition, they provide a children's barnyard for all fair visitors to see various animals up and close. FFA members also participate in a tractor driving contest during the fair.

The educational element of

the county fair is one of the most informative aspects. Like many other county fairs across the country, Clay County is pleased to have 4-H and FFA members show off their various exhibits and animal-raising skills.

After walking through the exhibits, relax in the cool shade of the band shelter. It provides for a variety of free entertainment over the four-day fair.

The Clay County fair dates back to 1914 when the first event was held. The heritage and traditions from its humble beginnings to the event it is today, represent over a century of county-wide support and commitment in making the Clay County Fair a summer festival where the whole family can just have fun.

It is through the collaboration of numerous sponsors, countless

community volunteers, and the many 4-H and FFA members who work alongside the board of directors that the Clay County Fair is able to continue its time-honored tradition.

The Clay County Fair Board of Directors welcome you and hope each moment you are at the fair will be filled with amazement at all the skill and talent shared by local residents.

The sites and sounds of the fair are waiting for you to enjoy. The Clay County Fair is a tradition and an event you certainly don't want to miss!

BERGLIND

FOR CLAY COUNTY COMMISSION
