

Fairgoers Can Get Creative With Flowers

Fairgoers looking for a hands-on experience at this year's Clay County Fair can stop by the Open Class Exhibit Building for the Floral Class.

Led by Lori Pender of Hodge Podge Hive, the class will give participants a chance to learn the basics of floral arranging while creating a bouquet of their own. With demonstrations and step-by-step instruction, participants

will see how flowers, colors and textures can come together to make a beautiful arrangement.

Best of all, each participant will leave with their own bouquet to take home.

The Floral Class will be held Friday, July 10, with sessions at 1 p.m. and 2 p.m. Space is limited to 10 people per session. Sign-up board will be available one hour before class starts.
