

# What's New at the Hjemkomst Center?

You won't want to miss these great exhibits at the Hjemkomst Center this summer and fall! The Viking ship replica Hjemkomst that sailed to Norway in 1982 remains firmly anchored in the ship gallery that tells the story of the building and sailing of the ship. Outside the Hopperstad Stave Church replica stands as a testament to this region's Scandinavian heritage. The Land to Table series will be very interesting stories of Clay County.
