## The Ryan Leister Memorial Golf Tournament

The Ryan Leister Memorial Golf Tournament was started in June 2010 after my brother Ryan passed away unexpectedly from a massive heart attack at the young age of 32. A group of friends/classmates put together the tournament to raise money for a scholarship in Ryan's name. We have been able to go from giving one scholarship to giving seven scholarships this spring to Hawley High School Seniors in Ryan's memory. So far to date, we have been able to give more than \$15,000.

This year is our 14th year and it is still going strong. At the tournaments, we raise money through golfing, raffles, donations and hole sponsors. In fact we had a record 100 hole sponsors last year! We are very fortunate to belong to such an amazing community that continues to support us year after year. Each year, the Amon Baer family roasts a pig and donates it on the day of the tournament to serve to the participants after they are done golfing. We have a list of so many other generous people/businesses

such as Tony's SuperValu that also donates all the other food and supplies to make it a full meal.

A few years back, the tournament grew to its maximum capacity of 144 golfers which equals 36 teams. These golfers keep coming back year after year so the tournament fills up fast every year and has a wait list! We're very thankful to the Hawley Golf Course for accommodating our tournament every year!
