

GRACELAND UNIVERSITY

your hometown college

ACCESSIBLE TUITION

Graceland's tuition is the best amongst Iowa private colleges!
When combined with our easy-to-understand scholarships,
our tuition cost is often more accessible than a public school.

SCHOLARSHIPS TAILORED TO YOU

Your scholarship will be tailored to your strengths and interests.
Your award will consider your financial need, academic accomplishments,
athletic success, and involvement in activities outside the classroom.

A SAFE SPACE FOR EVERYONE

At Graceland, we are one family, known for **respect, peace, diversity and a safe community.** Our Residence Life motto says it all, "Everyone who is here belongs here just because they are here, and for no other reason."

TRANSFORMATIONAL ACADEMICS

Our education is distinguished by quality and great support.
We offer over 35 majors and programs with classes averaging less than 20 students. You will work side by side with expert faculty who will know you and mentor you. When you graduate, you will have earned at least two majors, one in the program of your choice and the other in Transformational Leadership - a unique program that shows you have learned to think critically and creatively, and you are skilled in how to communicate, collaborate and problem-solve.

You will be ready for success.

It is not too late to apply.
