

Lacon Public Library Plans Full Line Up For The Annual Children's Summer Reading Program

The Lacon Public Library would like to invite your child (all ages) to participate in the library's summer reading program. The programs will be held on the following days listed under events.

Your child/family must have a current Lacon Library card to participate in the program. Library cards are shown at the time of check-in. If your family lives outside of Lacon City limits, a three month card can be purchased for \$21. This card allows your entire family to check out all holdings in the library. All children ages 12 and under must be accompanied by a parent/guardian/older sibling/etc. throughout the entire program. To register your child for the programs, please return a completed form to the library, or call 246-2855.

Events in this year's summer reading program:

Friday, June 5th 11:30 am- Dinosaur Enthusiast Anderson Taylor-Anderson Taylor is 11 years old and opened the Cambridge Natural History Museum. He holds the Guinness World Record as the youngest museum curator in the world.
