

New Home for Mason County Farm Bureau

The Mason County Farm Bureau is excited to announce that it will soon have a new office. Construction is underway on a new building located at 15587 SR 78 in Havana.

This new facility will replace the current office on High Street, which has served the farm bureau for over 60 years.

The new building will feature 4,800 square feet of updated space for staff, farm bureau meetings, and member services.

Farm Bureau Manager Ryan Held stated, "The new building will include office space for the Mason County Farm Bureau, as well as for Extension and West State Title. There will be a meeting area and board room available for Farm Bureau programs or for rental for community events, complete with a full

"Our goal is to create a facility that better supports our organization's work."

kitchen. Our goal is to create a facility that better supports our organization's work with agriculture and the local community."

Established in 1916, the Mason County

Farm Bureau has over 800 members.

The farm bureau looks forward to continuing its service to members from the new facility in the near future.
