*Conner Amusements Company:
Just Good Clean Family Fun Since 1968!*

Conner Family Amusements began as a small operation in 1968. Founded by John and June Conner, the company's main focus was playing shopping malls and company picnics in Central Illinois. By 1983 the company had 4 rides and a concession trailer, all of which were operated by the Conners and their 2 children.

In 1987 the small carnival incorporated, and

Conner Family Amusements was born. To this day our company is run on the values of John and June Conner, boasting a friendly atmosphere and "Just Good Clean Family Fun!" The company is now operated by the Conners' grandson, Kyle Campbell, and members of the family work together to provide the best mid-way around.

Today, our company is comprised of 21 rides, 2 concessions trailers, and 8 games. From thrilling rides, to carnival game prizes, to delicious carnival delicacies, we have something for everyone!
