Vol. 116 No. 1 Coffeeville, MS Thursday, January 1, 2026

**Late Night Fire Destroys Home:** At 7:58 PM Sunday evening firefighters were dispatched to 272 Rayburn Street in Coffeeville. Velma was toned to assisted as was Scuna Valley. Six trucks in route to Rayburn Street along with more than a dozen fire fighters on scene. House was fully involved and ended up being a total loss. Ms. Jones who lived there got out and was uninjured.

Special thanks to Velma and Scuna Valley for assisting Coffeeville, your help was greatly appreciated.

**Santa Saves The Day:** Santa was on scene when TVEPA arrived to correct the issues a NAUGHTY squirrel had caused! The squirrel had chewed into the lines, causing power surges, and causing problems on Bailey Avenue! With Santa watching the TVEPA crew tended to business and got the good folks on Bailey Avenue back in good working order! Remember, Santa doesn't just watch all the boys and girls around Christmas, HE IS ALWAYS WATCHING!

HAPPY NEW YEAR!
