

First Baptist . . .

(cont'd from page 6)

We feed, nurture, and care for one another, so we are well equipped and actively sharing the gospel with others. That is how we grow and build up the church.

My point is this, if you and I love the church, the bride of Christ, we need to take the responsibility upon ourselves to find

ways to invest in her, to care for her, to love her.

Valentine's Day is the one day a year that is all about showing love, but as believers the love of Jesus and subsequently our love for His church should be proven each and every day by our words and actions. So, I ask again, "Do you love the church?"
