## North Mississippi Herald Named Water Valley Chamber Of Commerce Business Of The Year

Charlotte and David Howell

Tuesday, April 14th, 2026, the Water Valley Chamber of Commerce held their annual reception at Fountain Square. The Chamber offered many well deserved awards across the city but one that sparked the Courier's interest was the "Business of the Year" award. The North Mississippi Herald owned by David Howell, Editor, was named "Water Valley Business of the Year"!

David has been tied to the newspaper business all of his life and has owned the Herald for more than two decades. His dedication is  
*(Cont'd. on Back Page)*

The theme for Earth Day 2026 (April 22) is "Our Power, Our Planet". This theme emphasizes that environmental progress is driven by collective, community-level action, focusing on accelerating the transition to renewable energy and holding polluters accountable to protect local environments.

## Chomper

Picture by: Cyler Seifert

The Diamond Z 6000 Grinder is doing its trick on County Road 211 at the dump site. This machine is awesome to see working and can grind up almost any size debris they throw in it. The dump site is part of the massive clean up in progress following Ice Storm Fern.

As the project starts winding down everyone needs to keep in mind that after April 30th the debris truck will start making their final pass on each county road, meaning that if you have debris you would like picked up you need to have it on the road side by April 30th.

Also, MDOT will do one pickup on the highways but the deadline to have stuff out has not been announced yet.
