Tell your Family and Friends to go to roman-roadbibleministry.com to play ball for Jesus and prepare for eternity. You'll be laying up treasures in Heaven and saving people from Hell. Use your phone for Jesus. Read a chapter each day from Romans, and be obedient to what it says. As the late Phil Robertson said, "I COULD BE WRONG, but I doubt it."

# Newspapers For Students

## BankFirst

Member FDIC  
**662-473-1234**

BankFirst, formerly Mechanics Bank, has been serving Yalobusha County since 1892, when it got it's start in Water Valley. BankFirst is proud to be a part in the NFS program, realizing the importance of young people becoming aware of their community news and activities. Our young people are the very future of our community and need to be a strong part of the foundation of the community.

The NEWSPAPER IN EDUCATION program provides to the students as a supplemental reading material. Newspapers remain one of the most multifaceted and effected educational resources available for students. Each week during the school year over 300 newspapers are mailed to the students in the 1st grade through the 12th grades at the Coffeerville Schools. News and information are like food for the brain. Students tell us that this program seriously promotes reading skills, plus helps establish a sense of civic identity-making our young people aware of local events right here in Coffeerville and Yalobusha County. It helps to install a sense of cmmunity and place in youth, shaping them as future citizens. Newspapers not only bring acedemics to life, they also depend student learning by grounding it in real-life experiences.
