## Leway Market Opens May 11th

"Leway Market started out as a dream and a conversation three years ago between two friends and now we get to witness that dream come true. Leway Market is designed to fill a gap that many small towns know too well: the need for a reliable, full service grocery store close to home. For Coffeeville residents, the opening of Leway Market means shorter drives, fresher food, and a renewed sense of local investment. In a time when many rural towns struggle to keep essential services close to home, Leway Market is positioning itself as a cornerstone of community re-

newal, offering residents a modern, convenient, and locally rooted shopping experience. We open from 8AM until 8PM Monday-Saturday. With the exception to Sunday 8am until 5PM", says Manager Denise Harris.

"As a business owner in the community The Courier fully understands the commitment and dedication that Owner Chuc Le and Manager Denise Harris are putting forth. We are committed to help in any way possible to see they succeed. Buy local and shop at Leway Market!", says The Courier Staff.
