

First Baptist.
(cont'd. from page 6)

do I know what my purpose is?" The fact is you may never know this side of Heaven. It may pass you by in the routine of life. Consider the widow in Luke 21 who put the two small coins in the offering. She had no idea Jesus was watching her every move. She was just being faithful to God in the everyday routine of her life, and what she did became one of Jesus' most powerful illustrations of giving. One that He is still using to teach people today. Her moment

was not filled with grandeur. It passed in the everyday routine of life. She likely never even knew it happened. You do not know when your moments will come and may not even know when they happen. The question is, "Will you be found faithful and ready to answer God's call for such a time as this?"
